RE: 2019 HACCP Certificate of Compliance

To Whom it May Concern:

We are pleased to inform you that Oceans Fleet Fisheries, Inc. has fully implemented a HACCP system in compliance with the FDA requirements and currently operate under the mandated HACCP Regulating, 21 CFR 123. The steps we have taken include: HACCP training of all our affected employees, completion of a hazard analysis, development of written HACCP plans, and the development of sanitation monitoring procedures. We have also employed an on site HACCP Director who is available during regular business hours (7am-3pm). If you have any questions or may need any information in this area please feel free to contact Mr. Richard Tavis at the above phone number and extension.

We appreciate your concern and are pleased to be working with you. Please contact me if you have any questions. For your records, our Bio-Terrorism Registration number is:

18457987990

Sincerely,

Richard G. Tavis
Director, Food Safety & Gov't Compliance
